

## **STRONG AND WHITE OVERNIGHT SERUM**

### **Professional White**

#### **PRODUCT BENEFITS:**

- Outstanding whiteness in 3 days\*
- Restores and strengthens surface enamel while you sleep
- Contains Vitamin E & Liquid Calcium
- Strengthens enamel
- Boots Whiteness lost over time
- Works while you sleep
- Quick & simple application
- Restores gloss
- Gum friendly
- Clinically proven and safe for every day use

1. Strong: Contains our Patented Liquid Calcium technology to strengthen the surface enamel by gently restoring the damage caused by general wear and tear and helps strengthen against acid erosion and over-brushing, helping to improve gloss and shine.

2. White: On top of this, Active oxygen gives an extra boost to whiteness lost over time.

3. Added Ingredients: This gum & enamel friendly formula also contains Vitamin E and refreshing mint oils.

#### **USAGE INSTRUCTION:**

After brushing your teeth in the evening, apply the minty serum directly onto teeth and gum line with the precision brush applicator. Leave it to work without eating or rinsing for at least 30 minutes and for best results leave on until morning and use in conjunction with Pearl Drops Lasting Flawless White Toothpolish morning and night.

#### **WARNINGS:**

Keep away from eyes, rinse immediately if product comes into contact with them. Not suitable for children under 7.

#### **INGREDIENTS:**
